Attachment Number 6

Inspector General's Recommendation Number 6, Page 18

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

25X1A6a

Chief of Station, [REDACTED], describe his records problem and micro-filming program to Chief, RI Division, and obtain the advice and assistance of the latter in solving his present difficulties. The results of this coordination should be reported to all Chiefs of smaller WE Stations.

DD/P Comment

Concur.

25X1A6a

This has been referred to the Chief of Station, [REDACTED] for action. Continuous attention is being given to streamlining the records management procedures in all CIA field stations.
